CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tam's Creations

Here's Waves, Tam's Creations' luminous vision of magnetic or light waves moving in a galaxy of esoteric motifs. The cross stitch design is interesting both for its symbolism and for its decorative value.

The stitching involves cross stitch and satin stitch and combines gentle nuanced tones from the Gentle Art range as well as bright multicolor silk from Pickerz with an almost fluorescent feel.

You can also easily substitute colors with your very own, making your creation unique. Indeed each symbol is stitched in one type of thread so you can pick and chose your palette of colors. We would suggest however using one bright multicolor for the "waves" so as to contrast with the other deeper tones. Another option is to substitute the bright pink and blue tones with solid floss colors using the stitched model as a guide.
