**Lazy Daisy ABC**

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tapestry Barn

This cross stitch alphabet is embellished with small daisies worked on the surface with lazy daisy stitches, backstitch and French knots.

The letters in the background are stitched in a soft tone of blue, with a shaded effect which gives them a dimensional effect. Small daisies are scattered above.

Lazy daisy stitch is an easy, quick and pretty embroidery stitch, ideal for stitching small petals or leaves. Full instructions for the stitch are included with the chart.

A french knot is used for the touch of golden yellow at the center of the flower. You can substitute it with a small seed bead in the same color.

Each letter measures a maximum of 25 x 26 stitches, or about 1 3/4 x 1 3/4 (4 cm x 4 cm). You can stitch initials, a name or a small sign (WELCOME etc.). It is also possible to personalize white bathroom towels using "Ready to stitch" items available with a woven Aida band.
