Portuguese Fish

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tapestry Barn

A patchwork of Portuguese print motifs are combined to form this delightful fish cross stitch design. The colors are bright and colorful, evocative of summer and the sea.

You can mount your stitched piece into a frame, or onto a cushion cover.

The fish would also look great on white terry towels - there are some ready-to-stitch terry towels or you can stitch the motif on an Aida band that you can sew onto regular towels.

An alternative option is to cut out the fish and use them as decorations (see photo). Use a pretty matching ribbon to hang them on the bathroom door for instance.
