Pun-tastic Greeting cards

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tapestry Barn

Treat your friends and family to a fun, cheerful and colorful hand-stitched greeting card with a pun-tastic message guaranteed to make your loved ones smile!

This set of 6 greetings cards designed by Tapestry Barn, includes messages of: Friendship, Well done, Valentine's and Get well soon designs, as well as general all-occasion greetings.

Each cross stitch design measures less than 9 cm x 9 cm (3 1/2 x 3 1/2 inch) when stitched on 14 ct Aida.

The stitched pieces can be mounted on paper cards. You will find special cards available in the crafts section with a square or round aperture. Some come three-fold so you can hide the back of the stitching. You can also easily make your own.

Another cute finishing idea would be to use these motifs on a fridge magnet. Add a row of cross stitch as a frame if you'd like. Cross stitch on needlework fabric and back and with needlework finisher. Magnets sheets are available that can be cut to the exact shape. Alternatively stitch the designs on plastic canvas. Trim and stick a round magnet at the back.
