CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tapestry Barn

This versatile cross stitch chart features pretty little teacups in different colorful styles. Which one is your favorite, the pink and white polka dot with golden interior and saucer, or the blue mug with a cherry blossom motif?

You can use the chart in multiple ways:

- stitch all the motifs together like a sampler
- use individual motifs for Greetings cards or decorating Kitchen items.
- create personalized motifs using alphabet and numbers provided

Tapestry Barn's Top Tip:

Patch these teacup designs onto kitchen items such as tea towels, aprons and oven gloves. They'll also make lovely cards to cheer up friends – pop a couple of teabags inside your card as a special treat.
