**Autumn nodding**

**CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tempting Tangles**

There is fantastic light and color in this cross stitch design created by **Tempting Tangles** and reflecting the atmosphere on windy moors under menacing skies.

The pattern is inspired by a poem by 18th century Scottish poet James Thomson and is quoted at the top in gothic script:

Autumn nodding over the yellow plain

The design's layout is in the manner of a Medieval illuminated manuscript, with the top quote and lower border motif framing the main picture. In the foreground a tree with a long branch further structures the work.

A red fox and a couple of quails can be seen in the foreground, cattle graze in the field, migrating geese fly past. Far afield lie a couple of houses.

A cross stitch pattern by **Tempting Tangles**.
