CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tempting Tangles

Cheerful Golden Quince is part of the beautiful collection of Seasonal tea & Coffee cross stitch patterns designed by Deborah A. Dick of **Tempting Tangles**. Each has a different tea-pot and seasonal tea. Collect them all!

The Golden Quince Tea-pot is Japanese style, very cute with its distinctive red twirling motif, and black lit with a red round top. A winter tea pattern, it includes heart warming brews such as Rose-hip, Peppermint, Pomegranate, Honey-bush, Russian Tea and Winter Julep.

This mostly cross stitch pattern includes some fine backstitch snow flake motifs as well as some decorative

border stitches such as the Sofia stitch, which is a modified Smyrna stitch. A couple of beads are used for embellishment and detail. This design is best worked over 2 threads.

The chart comes with both a color overview chart, and a detailed black and white chart while instructions for each of the special stitches are clearly explained and illustrated with diagrams.

A cross stitch pattern by **Tempting Tangles**.
