**CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tempting Tangles**

There are so many stories in this pattern , it's amazing how **Tempting Tangles'** designer Deborah A. Dick managed to squeeze in so much detail.

Check out the cat shaped ghosts, lounging on the moon and in a tree. Or more little kitties visiting a friend among the tombs, or the large cat scared stiff in front of a burning furnace. A cute little witch with green eyes wizzes by on her broom, her pretty robe flowing in the night. An owl stands watch, unperturbed. The haunted

mansion is beautifully detailed, as well as the gate and railings in the foreground.

The door is open. Everywhere pumpkin lanterns are lit. But are we really welcome?
