Description:

Panoply of Peacocks

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tempting Tangles

Designer Deborah A. Dick of **Tempting Tangles** tells of her inspiration for Panoply of Peacocks:

"Panoply of Peacocks has dozens of antique-style peacocks, twirling together in a kaleidoscope of peacock hued motifs."

Creative Poppy says:

Panoply means a wide-ranging and impressive array or display. This is the larger version, indeed quite impressive, including the feather showing in the left hand corner. There is also a smaller version of the chart

available (see below).

The mostly cross stitch pattern comes with both a color overview chart, and a detailed black and white chart with instructions describing all the particularities of stitches.

A cross stitch pattern by **Tempting Tangles**.
