Patience

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tempting Tangles

A gentle reminder of what is most needed for needlework.

Place it not too far from your preferred armchair, it might be needed from time to time.

The word patience comes in an oldstyle typeface and it is enclosed in an elegant botanical border. There is an extra border of double herringbone all around.

The piece was stitched in 3 colors, using overdyed silk thread on a blue background. You could very easily select your very own range of floss and fabric colors.

A cross stitch pattern by **Tempting Tangles**.
