**CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tempting Tangles**

This beautiful cross stitch piece is designed in the manner of a small fringed carpet. The center motif is a small elephant. It is contained in several decorative frames with ornamental motifs. There are only three colors used, light ivory, deep blue and dark chocolate, which contrast with the ochre yellow background fabric.

The main motif of the elephant, the range of colors and the ornamental designs are reminiscent of Indian fabrics. The piece is really decorative and will look best either framed or mounted as a cushion cover.
