Summer Buzz

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tempting Tangles

This is such a pretty design, with its emerald coffee pot, surrounded by cherry blossoms, and names of all the coffee drinks that bring summer sweetness to mind.

Summer Buzz is part of the beautiful collection of Seasonal tea & Coffee cross stitch patterns designed by Deborah A. Dick of **Tempting Tangles**. They are an easy size to stitch and very decorative to display in a kitchen or living room. Collect them all!

The charm of this design is not only the lovely color range, but also the tiny details. Check out the little bee hovering around the pot, or the blooming branches surrounding the base. The flowers are worked in lazy daisy stitch, a quick and fun stitch you'll come to love if you have never tried it before. The branches are worked in stem stitch, another pretty and useful stitch. The instructions for this chart are quite detailed and come with diagrams for the special stitches.

This cross stitch pattern comes with both a color overview chart, and a detailed black and white chart. It's best to work this over two threads.
