Welcome visitors into your house with this cheerful cross stitch piece. It features the following cross stitch text:

This corner of Earth smiles for me

In the center of this heart shaped design is a large colonial house with red tiles and a roof turret, as well as plenty of interesting architectural detail. In the background are more buildings as well as a large town clock. The houses are surrounded with trees and further embellished with plant motifs, suggesting lush nature.

The pattern is mostly cross stitch, with minimal backstitch.
