Cassette Biscornu

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tiny Modernist

Back then, when pop music was born...

If you're old enough to have listened to cassette tapes this biscornu will surely bring back fond memories. You might start humming some favorite hits of the time. Remember the friend who recorded that song for you?

Bold, bright and fun, the cross stitch pattern features four cassettes on the front and multicolored music notes on the back.

This cassette tape chart is part of the Tiny Modernist's unique collection of cross stitch designs depicting iconic items from the sixties and seventies.

A tutorial with biscornu mounting instructions is provided with the chart.
