CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tiny Modernist

Here's a wonderful family home buzzing with activity.

Father is busy repainting the wall, perched on a ladder. The house is decorated with bunting as if preparing for a party. Mother is on the lower floor, tending to her flower boxes.

Grandfather is resting at the top of the house, in his large armchair, next to the stove with a whistling kettle. Tea is about to be served on the table while little chicks wander around.

On the first floor, a hen is laying eggs in the "Egg" box. Grandmother cooks while keeping an eye on the two older children busy painting Easter eggs. But where are the two little ones? In the garden searching for chocolate eggs!
