Description:

San Francisco

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tiny Modernist

See the Golden Gate Bridge spanning across San Francisco bay in the distance, famous landmarks such as the Ferry Building on the Embarcadero, the Transamerica Tower, Palace of Fine Arts Theatre, and Coit Tower. In the foreground, several of the painted ladies (houses) and the cable cars passing by. There is so much squeezed into this delightful cross stitch pattern.

San Francisco is part of a series of cute little miniatures representing cityscapes of towns the world over. Take your pick of favorite cities and display them side by side.

Cross stitch pattern designed by Tiny Modernist.
