**Red House Merry Christmas**

**CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tiny Modernist**

Where are we? At the North Pole it seems, it says so on the sign post!

Everyone of Santa's little helpers is here at the ready, including many animals: hedgehog, fox, squirrel, and even a bear . Santa's wife is coming to help too. This is the time of year when they all become super busy.

The scene is set in a snowy landscape. The little red house that can be seen in the distance, framed by lamp posts, looks very welcoming.
