CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tiny Modernist

Cute little partridge birds potter about in the undergrowth, among red dotted mushrooms, flowers and berries. This cross stitch biscornu has a soft autumn feel, with an attractive palette of slightly toned-down floss colors.

The piece is stitched on both sides of the biscornu, meaning you will cross stitch two separate squares and both patterns will fit into each other on the borders. A tutorial with biscornu mounting instructions is provided with the chart.
