CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY **Tiny Modernist**

A hot air balloon looms in the distance. Paris landmarks, the Arc de Triomphe, Notre-Dame cathedral and the unmistakable Eiffel Tower shape the skyline. A two-tier bridge spans the river Seine, letting cars and metro trains across both banks, from "rive droite" to "rive gauche". Also included in the design are three "Fleur de Lys", emblems of the French kings, and still present in the crest of the city of Paris. There is so much squeezed into this delightful cross stitch pattern celebrating the French capital.

Paris is part of a series of cute little miniatures representing cityscapes of towns the world over. Take your pick of favorite cities and display them side by side.
