CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tiny Modernist

When the sixties rolled into the seventies, and pop music was thriving, the sudden arrival of cassette tapes revolutionized everything; even the colors were bold and new: red, orange, bright green, and contrasted with traditional black LP records.

This pattern is a tribute to the iconic and humble cassettes, symbols of their time and part of Tiny Modernist's fascinating collection of cross stitch designs dedicated to similar retro objects.
