**Rome**

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tiny Modernist

An Italian city scene combining the city of Rome, with the ancient roman ruins of the Pantheon and Coliseum, the Vatican's Saint Peter's Cathedral as well as Venice's canal side houses and gondolas. Italian flags fly on piazza Venezia in front of the Victor Emmanuel monument, symbol of Italy's reunification. There is so much squeezed into this delightful cross stitch pattern celebrating some of Italy's most attractive cities.

*Rome* is part of a series of cute little miniatures representing cityscapes of towns the world over. Take your pick of favorite cities and display them side by side.

Cross stitch pattern designed by Tiny Modernist.
