One stitch at a Time

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tiny Modernist

When caught in the whirlwind of everyday life, needlework can bring us back to more wisdom: "Always take it ... one stitch at a time". As any stitcher very well knows, it is the only way to move forward and make progress. This cute little design serves as decorative reminder.

The text appears on the measuring tape, and the remainder in playful lettering. Spools, threads, pins, needles and a ball of yarn further embellish the pattern.

The stitched piece fits into a square. For finishing, you can mount it on a plate (photo) for hanging or into a pinkeep or pinholder. The design will also fit into an 8 inch hoop when stitched on 14ct or higher.
