Summer Beach Huts

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY Tiny Modernist

The pennants are flying and you can hear the seagulls' cry as they circle above. Snuggled together, the little beach cabins are vying for attention in bright cheerful colors.

The surfboard is out in front of the one one painted pink cabin and adorned with a starfish. Its neighbor sports a beautiful porthole on its purple door. Shovels and buckets are outside and someone has been busy building a sand castle. Further to the left is a cabin decorated with bunting. It seems more relaxed here where someone has been sitting in a lounge chair. For everyone one, it seems a fun day at the beach.

Not only is this a very enjoyable cross stitch piece to stitch, it will bring a cheerful holiday atmosphere into your home this summer.
