Woodland Sampler

CROSS STITCH PATTERN READY TO DOWNLOAD, DESIGNED BY **Tiny Modernist**

Give a festive atmosphere to your home, in the run-up to the festive season. This cute little cross stitch piece, with a Christmassy feel, is quick and easy to stitch and full of charm.

The forest scene features a log cabin deep in the trees, deers with large antlers facing each other, squirrels picking up acorns, a roaming fox, two baby deer still fragile on their legs. In the distance you can peak between the trees at the mountains and stars.

The chart is only worked in cross stitch in solid color blocks and could be completed by a beginner cross stitcher.

It can be hung as a banner, maybe on a simple branch for a rustic feel, and completed at the top and bottom with a strip of fabric. It can also be mounted in the center of a cushion. In any case, find a matching fabric with red, green and brown tones, maybe a checked one.
