**Tom & Lily - My Hedgehogs (cross stitch pattern chart)**

**My Hedgehogs**

COUNTED CROSS STITCH CHART BY TOM & LILY

&nbsp;

&nbsp;

There are several playful effects in this trio of cross stitch hedgehogs designed by **Melanie Couffe** for **Tom & Lily Designs**. The motifs are reminiscent of 1960's fabrics and wall paper with psychedelic effects. The choice of floss color ranges, browns and pink also accentuates this feel.

&nbsp;

The pieces can be mounted as a triptych, whether you place them horizontally in a row or vertically. They will also look fantastic on a long cushion shape.

&nbsp;

Designer Melanie Couffe loves stitching with artisan overdyed threads for Atalie. Floss substitutes are also provided in DMC and Anchor embroidery floss. Use them as a guide if you want to select your own favorite overdyed floss.

&nbsp;

There are many more fun animals in **Tom & Lily's** trio series, such as the giraffes or the snails for instance. You can check them out by clicking on the link further down.
