COUNTED CROSS STITCH CHART BY TOM & LILY

Mélanie Couffe, the designer of Tom & Lily captures the delicately balanced heads of these young giraffes, in her own joyful range of inventive colors.

This cross stitch piece could of course be framed but would make a very decorative cushion too!

The pattern is stitched in overdyed threads from the Atalie range, but alternative threads in the DMC and Anchor range are provided too (solid colors).

Creative Poppy tip:

If you cannot find the Atalie overdyed threads you can substitute the following colors for the DMC Color variations range (see photo opposite):

- sauge > DMC 4030

- lagon > DMC 4020

- opale > DMC 4025
